

ANTONIO MOURA

COMPUTER ENGINEERING STUDENT

PROFILE

A computer engineering student at the University of Massachusetts Boston. I am constantly learning and growing in my knowledge of programming, hardware, and software development. The ways in which technology can be used to improve people's lives fascinate me, and I am always looking for ways to make a positive impact with my work.

SKILLS

Python, Java, C/C++

Problem Solving

Critical Thinking

Time Management

LANGUAGES

English

Portuguese

Creole

French

EDUCATION

Bachelor of Science

Computer Engineering | Computer Science (minor)
University of Massachusetts Boston
2020 – in progress

WORK EXPERIENCE

DELGA LLC

2022 – Web Developer Freelancer

Create and maintain websites and web applications using languages like HTML, CSS, and JavaScript. Work with other team members to troubleshoot and debug.

WALGREENS

2020/21 – Customer Service Associate

Assist customers with their purchases and answer any questions they may have about products or services. I was also responsible for maintaining a clean and organized store.

AMAZON

2019/20 – Fulfillment Center Associate

Responsible for processing and shipping orders, requiring attention to detail and efficiency in a fast-paced environment, ensuring customers receive their orders on time.
